The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (“**Shareholders**”) and potential investors that based on the information currently available to the Company and the preliminary review of the unaudited consolidated management accounts of the Group for the six months ended 30 September 2018, it is expected although the Group would record an increase in the revenue and sales volume by approximately 11.9% and 193,000 pieces respectively for the six months ended 30 September 2018, there will be an increase in loss attributable to the owners of the Company as compared to the loss during the corresponding period in 2017. Such increase in loss is mainly attributable to:

- (i) the decrease in gross profit and gross profit margin of the Group, for the three months ended 30 September 2018 in particular, which was mainly due to:
  - (a) The U.S. customers changed to a conservative procurement attitude due to their raising concern over current status of the trade conflicts between China and the U.S.; and
  - (b) the Group accepted orders from two major customers at competitive prices due to their bulk orders in volume; and
- (ii) the increase in administrative expenses by approximately HK\$4.0 million which was mainly due to the recurrence of legal and professional fee after the listing and annual salary increment for administrative staff.

As the Company is still in the process of finalising its unaudited consolidated results for the six months ended 30 September 2018, the information contained in this announcement is only a preliminary assessment by the Board based on the latest information currently available to the Company, which includes, inter alia, the unaudited consolidated management accounts for the six months ended 30 September 2018, and such information has neither been reviewed by the Company's auditors nor the audit committee of the Company and may be subject to changes.
